
Welcome to Akibia Insight, the latest news on Data Center, Network and Security Solutions

Data Center Solutions

[Hundreds of Companies Rely on Akibia for Storage Support. Learn Why.](#)

Did you know that in addition to supporting your server environments Akibia also provides exceptional high-value, cost effective support for mission-critical storage systems? In fact, in the past 12 months more than 200 companies have turned to Akibia to support their Sun, HP, IBM, Dell, EMC and NetApp storage systems. Read the [press release](#) for more information.

Network Solutions

[Consolidate Network Support with Akibia: Now a Juniper Networks Support Provider](#)

As a Juniper Elite Partner and Operate Specialist, Akibia provides 24x7 service, as well as the full lifecycle of delivery, design, implementation and support for Juniper's network infrastructure and security solutions. These solutions meet business requirements for peak performance and maximum security of the network. To learn more about how you can benefit from Akibia and Juniper's partnership, read the [press release](#).

Compliance

[Are You Confident in Your Compliance? Register for a Free Compliance Gap Analysis](#)

Akibia is offering a complimentary 90 minute Compliance Gap Analysis for qualified customers. In a collaborative and interactive whiteboarding session our experienced, certified compliance consultant will lead your team through an analysis of your compliance posture, including discussing policies in place and potential risks. [Schedule your analysis](#) today.

Security Solutions

[Make the Most of Your RSA Investment: Akibia User Group](#)

Join Akibia and RSA on November 4th at Akibia's corporate office in Westborough, MA for an educational RSA enVision User Group session hosted by Steve Blizman, Akibia Senior Consultant and Ryan Fournier, RSA Director of Product Development. You'll learn more about how to improve the performance and increase the utilization of enVision in your environment, and experience live demos. [Register today](#).
